

EXPRESS SCRIPTS®

**Important information about
your pharmacy network**

Dear Member :

Express Scripts, the company chosen by **Southern New Jersey Regional Employee Benefits Fund** to manage your prescription-drug benefit, would like to provide you with important information regarding your pharmacy network.

Beginning **10/01/2011, Walgreens will no longer be a participating provider in your pharmacy network.**

For a complete list of local participating pharmacies, go to Express-Scripts.com, login and click on Find a Pharmacy (below "Understanding your Benefits").

To ensure that you have access to your prescription drugs, we have listed a few participating chain pharmacies within your region:

- CVS
- Rite Aid
- Shoprite Pharmacy
- Supervalu
- Wal-Mart
- Target
- A&P Pathmark
- Safeway, Inc.
- Publix Super Markets, Inc
- Wegmans Food Markets, Inc

Please transfer your prescriptions to a participating pharmacy within your network.

It's Easy to Change

For your prescriptions with refills remaining, do one of the following:

- Take your prescription bottle to your new pharmacy; they will contact your old pharmacy to transfer your prescription.
- Ask the new pharmacy to call your old pharmacy to transfer your prescription(s).
- Call your doctor and ask for a new prescription(s), which you can provide to your new pharmacy.

We regret any inconvenience this pharmacy change may cause you. If you have any questions or would like additional information about participating pharmacies, please call the phone number on the back of your member ID card.

Sincerely,
Express Scripts
